"Insurance with Service"

Folks are writing us
these days!

Lawton, Mich.
August 3, 1927American Tobacco Co.
New York.

Gentlemen:—

A word of appreciation for your Lucky Strike cigarettes.

On May 29th last, I was operated upon for gastric ulcer and appendicitis. The day after I wanted a smoke real badly and asked my doctor. He advised strongly against it stating that even a slight cough would "rip me open" and cause additional pain, and if you've had the experience you know that to be so. However, I had a package of "Luckies" in my coat pocket and persuaded my nurse to get them. She did and I smoked eight that day. To make it short I smoked all the two weeks at the hospital with very a cough or throat irritation or the least discomfort, and by the way, smoking was prohibited at the hospital but nurse kept my door closed and window open so I enjoyed my smokes to the full extent.

I am just a school teacher in a small town and not setting a good example to my pupils because I smoke, I suppose, but there is certainly "pep" in Lucky Strikes.

Sincerely yours,

J. A. McPherson

Tiolene *Stops* This Power Waste!

WITH Tiolene lubrication, none of your gasoline's power is wasted, none of it can escape unused, through the hair-line crevice about the piston ring. Tiolene seals this space—stops this power leak—with a sturdy film of oil. Every ounce of the gasoline's energy therefore, does *useful* work in driving the piston.

Tiolene can constantly *maintain* this tissue-thin piston seal, against the grueling attack of motor heat, because of the remarkable heat resistance which it inherits from Cabin Creek crude. Nature gave this famous amber-colored crude such superior qualities

that it commands a premium price over other Pennsylvania crudes. It is *Super-Pennsylvania* grade—the highest quality petroleum found on this continent.

The most approved refining processes and expert skill preserve in Tiolene *all* of the desirable lubricating qualities of Cabin Creek crude.

Tiolene is 100% *Super-Pennsylvania Motor Oil*. It prevents the drag of metal friction and maintains a perfect piston seal. Tiolene, therefore, enables you to get smoother power—more power—and more miles per gallon of gasoline.

Tiolene Motor Oil is sold at Pure Oil Company
 Service Stations and by Authorized Dealers.
